

Camden Haven Bridge Club VS Taree Bridge Club

17 November 2016 at Taree

6 teams from the Camden Haven (LUSC) Bridge Club visited the Taree Club on Thursday afternoon.

We had a lovely reception and met a number of delightful people to play bridge with. I'm sure that all of our members would agree that the opposition were some of the friendliest we've met and also, very competitive.

Taree put on a magnificent afternoon tea and it was greeted with great delight by all. We were all impressed with their facilities. The signage displaying honour boards for various awards was most impressive.

Thank you Taree Bridge Club for making us so welcome and we look forward to another event in the future.
